REQUEST FOR PATENT TERM ADJUSTMENT PURSUANT TO 37 CFR 1.705

Commissioner for Patents PO Box 1450 Alexandria, Virginia 22313-1450

Sir:

Applicants respectfully request reconsideration of the determination of patent term adjustment included with the Notice of Allowance dated August 23, 2003. Applicants believe the total PTA should be 257 days rather than the listed 0 days. The applicants were assessed "applicant delays" of 336 days for responding to the Notice to File Missing Parts (Notice).

The Notice was mailed June 13, 2001. Applicants' final complete response to the Notice was filed on December 13, 2001.

Although PAIR reflects that this response was indeed filed on December 13, 2001, it incorrectly shows the "application complete" date as August 15, 2002, rather than December 13, 2001

The USPTO has attributed a total of 305 days of delay -296 days of delay for mailing the restriction requirement and 9 days of delay to mail the first non-final office action. Yet the applicants were assessed a total of 369 days of applicant delay -336 days for the final

complete submission of a response on December 13, 2001 to the Notice and 33 days for the response on June 1, 2004 to the second non-final office action.

Applicants agree that PTA should be accessed for applicants' delay in responding to both the Notice and the second non-final office action. However, applicants believe that only 91 days of delay in responding to the Notice should be assessed, rather than 336.

For these reasons, applicant respectfully requests that the total PTA be increased from 0 days to 257.

The required fee of \$200.00 is enclosed. The Commissioner is authorized to charge or credit any under or overpayment to Deposit Account No. 19-0741.

Respectfully submitted,
